

You're invited to a Tally Rally

Citizens are coming together to stop a coup!

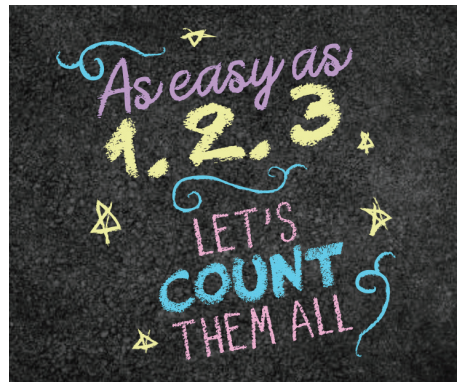

Americans have voted in record numbers, and every single vote is vital. We are still a democracy... and we're making sure it stays that way by insisting County Election Officials COUNT. EVERY. BALLOT.

And you can help!

TALLY RALLY?

Meet other volunteers outside election officials' offices. Bring positive signs, wear patriotic costumes, draw sidewalk chalk art, snap selfies. Also help it trend on social media with hashtags #TallyRally, #DownForTheCount.

WHEN & WHERE?

Monday, Nov. 2 and Tuesday, Nov. 3, morning shifts and afternoon shifts available. Check back often, as we'll add days and shifts if necessary in the crucial days or weeks after the election as well.

SIGN ME UP!

Great! Go to **TallyRally.org**, enter your state and county, and sign up for a shift! We'll email you your Election Official's address, plus fun ideas for signs and costumes. (Your information will not be shared).

See you there! TallyRally.org
